

**If you don't think a gift of **\$150** can make a difference!**

**Associate Giving Campaign  
Providence Hospital**

**Giving back to Providence has a direct, positive impact on our associates, patients and facilities.**

**This will change your mind.**

If each associate at Providence contributed just \$150 (only \$5.77 per paycheck), the overall impact would mean an additional...

**\$354,900**

**can make a difference!**

Every gift makes a difference. Your gift can support:

- The Associate Bridge Fund – *providing emergency relief to associates in need*
- The Nurses Learning Lab – *continuing education for Providence Nurses*
- Carroll Manor – *enhancing care for the elderly residents*
- The Providence Fund – *unrestricted gifts keeping the hospital's programs strong*

## Your gift to Providence does make a difference!

Making the decision to donate says that you believe in our mission – to serve the sick and the poor with joy, care and respect, and to serve the community with health care that works, health care that is safe, and health care that leaves no one behind.

This year, your support can help provide: emergency relief to associates, materials for the nurses learning lab, enhanced care for the elderly residents, or improvements towards another Providence program of your choice.

Remember to be counted among those who are willing to do a little, knowing that, together, we can do a lot.

Every gift, of any size, does make a difference!
