OUR 150TH ANNIVERSARY

As we celebrate 150 years, it is hard to comprehend the lives that have been touched and saved by the caregivers at Providence Hospital. They made a real difference in 1861 and they continue to make a positive impact today. It is truly a remarkable story that is a testament to everyone who has supported the hospital's work.

Join us in a yearlong celebration of Providence's legacy in the community. The hospital intends to convene a series of health fairs, workshops, and symposiums as we acknowledge and highlight the contributions of the hospital while also promoting the hospital's future vision.

For more information about our celebration, visit www.provhosp.org. Thank you for supporting our remarkable heritage.
